

A real risk

Here is why it's important for us to offer you financial support in the event of critical illness.

The statistics speak for themselves.¹

| In Canada | |
|-----------------|----------------|
| Breast cancer | 1 woman in 8 |
| Prostate cancer | 1 man in 7 |
| Heart disease | 1 person in 4 |
| Stroke (CVA) | 1 person in 20 |

Fortunately, more people are surviving these afflictions and living longer lives.

| Survival rate | |
|---------------------|-----|
| Cancer ² | 60% |
| Heart attack | 85% |
| Stroke | 80% |

What are the most common critical illnesses?

Here are the benefits most commonly paid in the industry for critical insurance claims.

Industry critical illness claim breakdown³
